Edited by Olivier Vrins and Marius Schneider

- A practical guide to using border measures against the importation of goods infringing intellectual property rights into the European Union
- A coherent and comprehensive overview of the application of the border measures regime under Regulation (EC) 1383/2003 and national laws
- Coverage of practical aspects of problems involving multi-state abuses of intellectual property rights (including how to contact Customs authorities and useful website addresses)
- Jurisdiction-by-jurisdiction chapters written by a specialist team of experts from across Europe.

Providing a practical analysis of anti-counterfeiting and anti-piracy measures at the borders of the European Union, this book deals with all aspects of border measures under Regulation (EC) 1383/2003. It includes a thorough description of the implementation of the regime and also looks at areas of national law, giving a coherent and comprehensive overview of the application of the border measures regime within the European Union.
